-please review this response to the office action mailed from the USPTO on 01/24/2002.
-there are 6 red ink marked copies of the original patent showing the proposed amendments and 6 amended blue ink copies showing the corresponding changes inserted, and 6 clean copies with the amendments. The groups of 3 are paper clipped together.
-there are 3 red ink marked copies of the original drawings showing the proposed amendments and 3 amended drawings with the corresponding changes inserted.
-there are 15 pages of response.
-there is one appendix- maximum turning angle
-there is one certificate of mailing
thanks for the rule 121 fax. It helped me to hopefully put this response in proper order. (The red ink not faxing was a new one for me)
Could you fax me back this page signed or stamped and acknowledging date of receipt as soon as you can so that I will not have to fax in this document due to the close timing of this.

thankyou

Ferdinand Schermel
